ok. Sorry, but I am not coherent until around 8am. How's 9:30am for now. I will get us a phone call in number and get back to you. I understand if you have to adjust, etc. What time is the Jackson brief. I am not sure I know.

Rich- If possible tomorrow would be better have a deadline to get briefing material ready for HQ on Admin briefing... Sometime early 6:30- 8 or after 9 but before 1 is best for tomorrow but briefing times seem to be fluids with HQ and the Admin. Office!

Karen,
 I'd like to touch base with you today, if you have some time. I'd like to include both Rich Rupert and Ann DiDonato. Dennis thought it would be a good idea for us to share information/plans.
 Let me know if you have a good time.
 I am also working tomorrow too.

Rich
